

Session

```
graph BT; A[Session] --> B["tensorflow::serving::ServingSession"]; B --> C["tensorflow::serving::TfLiteSession"];
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'Session'. A blue arrow points down from this box to a middle box labeled 'tensorflow::serving::ServingSession'. Another blue arrow points down from the middle box to a bottom box labeled 'tensorflow::serving::TfLiteSession'. The bottom box has a gray background, while the others are white.

tensorflow::serving
::ServingSession

tensorflow::serving
::TfLiteSession
