

tensorflow::serving
::LogCollector

```
graph BT; A["tensorflow::serving::FakeLogCollector"] --> B["tensorflow::serving::LogCollector"]
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'tensorflow::serving::LogCollector'. The bottom box is light gray with a black border and contains the text 'tensorflow::serving::FakeLogCollector'. Two blue arrows originate from the top edge of the bottom box and point upwards to the bottom edge of the top box, indicating an inheritance or specialization relationship.
